**Re: Clayton Chemical Site General Notice of Potential Liability Letter**  
**Our File: 708374-4**

Dear Mr. Turner:

I represent The Meramec Group and Washington University in the referenced matter. Pursuant to our telephone conversation yesterday, you desire written notice that the parties received EPA's General Notice Letter dated September 27, 2005. Our clients received the letter and will review their options.

Thank you very much for talking with me yesterday.

Sincerely,

A handwritten signature in cursive script, reading "Beverlee J. Roper".
